

who are we?

Liverpool Community Spirit (LCS) is a community based charity in inner-city Liverpool. (Registered Charity No: 1092689)

LCS is a totally independent, grass-roots community partnership with no affiliation to any political or religious organisation. We are managed by a committee of representatives from the diverse communities of Liverpool.

Liverpool Community Spirit Faith Diversity Training

why do we do this?

The main aim of Liverpool Community Spirit is to help promote positive and caring communities. Often we have worries and fears about those who are different to ourselves. By exploring some of the fundamental beliefs, values, attitudes and customs that are really important to others, we can gain a better understanding of 'where they are coming from'.

This course allows you to make your own enquiries and promotes an atmosphere of mutual respect. We create a relaxed learning environment which encourages face to face conversations and enables you to feel comfortable asking challenging questions.
